

Course Overview:

By deploying IBM Collaboration Solutions (ICS), your company has already emphasized the importance of relationships. But, becoming a more collaborative workforce requires better-than-average skills for everyone from end users to administrators. Our courses for the ICS suite help companies like yours gain the proficiencies needed to extract the maximum value from their IBM investments.

Categories	Modules	Training Type
Lotus	Building the IBM Lotus Domino 8.5 Infrastructure (D8L76G)	e
	Developing IBM Lotus Domino 8.5.2 Applications: Intermediate XPage Design (D8L53G)	e
	Developing IBM Lotus Domino 8.5.2 Applications: Advanced XPage Design (D8L54G)	e
	Exploring New Features in IBM Lotus Domino 8.5 Administration (D8730G)	e
	Fundamentals of IBM Lotus Domino 8.5.1 Application Development (D8L51G)	c,v
	IBM Domino 9 Administration Fundamentals (ND900G)	e
	IBM Lotus Domino 8.5 System Administration Boot Camp (D8L89G)	c,v
Web Content Manager	Administering IBM Web Content Manager (WPL41G)	e
	Administering IBM Web Content Manager 8.0 (WPL44G)	e
	Advanced IBM Web Content Manager 8.0 (WPL45G)	c,v
	Developing Websites Using IBM Web Content Manager 8 (WPL43G)	c,v,e
WebSphere Portal	Build IBM WebSphere Portal 8.5 Applications using Rational Application Developer (WPL55G)	e
	Developing Applications for IBM WebSphere Portal 7.0 (WPL51G)	c,v
	Developing Applications for IBM WebSphere Portal 7.0 (WPP51G)	e
	Developing Applications for IBM WebSphere Portal 8.0 using IBM RAD 8.5 (WPL53G)	c,v
	Essential Websphere Portal 7.0 Administration skills for Developers on Windows (WPP82G)	e
	Essential Websphere Portal 7.0 Administration skills for Developers on Windows (WPL82G)	e
	Exploring new features of IBM Websphere Portal 7.0 Administration on Windows (WPL80G)	e
	Installation and Administration of IBM WebSphere Portal 7.0 on Linux (WPL91G)	v,e

	Installation and Administration of IBM WebSphere Portal 7.0 on Windows (WPL81G)	c,e
	Installation and Administration of IBM WebSphere Portal 8 on Linux (WPL93G)	c,v
	Installation and Administration of IBM WebSphere Portal 8 on Windows (WPL83G)	c,v,e
